

INDEX—THE EMERGENCY PRICE CONTROL ACT*

Addy Co. v. United States, 83.

ADMINISTRATIVE PROCEDURE

under EPCA: relation of, to pre-statutory procedure, 60-1; pre-issuance hearings not required, 62; issuance of price orders quasi-legislative action, 62, 68, 71; alternatives given to Adm'r upon filing of protest, 63; dual functions of protest proceedings, 63-4; provision for written evidence in lieu of oral hearings, 64-6; power of Adm'r to take "official notice," 66-7; provisions for judicial review, 69-76; validity of delegations of power to Adm'r, 86-8; as developed in WPB for civilian supply orders: described, 137-8; need for informality in, 138-9; possibilities for further regularization of, 139-40; consonance of, with due process, 140-3; provision in, for appeals, 143-4; provision in, for industry and labor committees, 144-5; judicial review of, 145-6. See ANTITRUST LAWS, CONSTITUTIONAL LAW, JUDICIAL REVIEW.

AGRICULTURAL COMMODITIES

inflationary effect of limits on price ceilings for, 14; limits in EPCA on price ceilings for, 36-7; prices of, permitted, by 110% parity standard, 37-8, by 1919-1929 average standard, 38; limits on price ceilings of products made from, 38; meaning of term, 39-40; inclusion of Government payments in computing price of, 40-1; power of Commodity Credit Corp. to sell, at parity prices, 41-3. See MAXIMUM COMMODITY PRICES, PRICE CONTROL.

ANTITRUST LAWS

letters of Atty. Gen. concerning applicability of, to industry price control action, 46, 154-5, 158, to industry committees advising as to supply problems, 145, 154-5, 157, to pooling by sub-contractors, 156-7, to industry cooperation with other departments, 158; immunity from, conferred by EPCA under conditions specified, 46-7; legality of industry price control action under, irrespective of EPCA, 47-9; need for, to protect war effort against restrictions on production and independent business against great concerns, 150-2; investigations by Antitrust Division of restraints on war production, 152-3, on food distribution, 153; arrangements concerning antitrust prosecutions between Atty. Gen. and Secs. of War and Navy, 158-9.

ARMY AND NAVY MUNITIONS BOARD
functions of as to priorities, 134.

"Ben Avon" Case

applicability of doctrine of *Ohio Valley Water Co. v. Ben Avon Borough* to judicial review of Adm'r's orders, discussed, 72.

* As used in this index "Adm'r" refers to the Price Administrator and "EPCA," to the Emergency Price Control Act of 1942.

BARUCH PLAN

proposal of B. M. Baruch for over-all ceiling, 17; difficulties in administering, 17-18. See OVER-ALL CEILING.

Block v. Hirsh, 83, 113.

BORROWING

resort to, to meet war costs, 9, 20.

BRITISH PRICE CONTROL

objectives of, 160; indirect controls used in, 160; various governmental agencies engaged in, 161; powers of Ministry of Supply over prices of raw materials, 161-2, its administrative structure, 162-3; powers of Ministry of Food over food prices, 163, its administrative structure, 163-5; powers of Board of Trade over non-food consumers' goods, 165, its administrative structure, 165-6; efforts in, to control price by controlling sellers' profits, 166-7, inadequacy of, 167-8, despite use of subsidies, 167-8; efforts in, to control price by controlling supplies, 168-9, by licensing distributors, 169-70, by priority, allocation, and rationing measures, 170-2; importance of consumer rationing, 171-2; provisions of Prices of Goods Act, summarized, 165; powers added by Goods and Services (Price Control) Act, 165, improved enforcement under, 169, 171; increases in living costs, despite, 171.

CANADA

use of over-all ceiling in, 17.

CIVILIAN SUPPLY

administrative history of, 125-6, 127-8, 148-9; constitutional bases of, 126; statutory authority for, 126-30; types of orders employed in controlling, 130-3; trend from preference ratings to allocation as means of controlling, 134-7; considerations in developing programs of, 136-7; procedures developed in administering, 137-40, their validity, 140-3, appeals in, 143-4, role of industry and labor committees in, 144-5, judicial review of, 145-6; enforcement of, orders, by criminal action, 146-7, by suspension of priorities, 147, by blacklisting, 147, by injunction, 147, by publicity, 147; pre-existing contracts as affected by, orders, 147-8. See ADMINISTRATIVE PROCEDURE, BRITISH PRICE CONTROL, PRIORITIES ACT, PRODUCTION.

COMMODITY CREDIT CORPORATION

power of, to sell agricultural stocks at parity, 41-3.

CONFIDENTIAL INFORMATION

disclosure of, by Adm'r limited, 54-55.

CONSERVATION (M) ORDERS

function of, 130; statutory authority for, 130; examples of use of, 131; procedure for issuance of, 142; question whether, may be challenged, 143; appeal provisions in, 143; enforcement of, 146-7.

CONSTITUTIONAL LAW

questions of, under EPCA: validity of subjection of pre-existing contracts to price orders, 51-2;

- privilege against self-incrimination recognized, 54; validity of provision for terminating EPCA by concurrent resolution, 59; validity of omission of hearings prior to issuance of price orders, 62; requirement of fair hearing as affected by, substitution of written evidence for oral, 64-6, limitation on opportunity to cross-examine, 64, taking of "official notice," 66-7, requirements of *Morgan* cases, 67-9; validity of standards for judicial review of Adm'r's orders, 70-2; status of Emergency Court of Appeals as constitutional court, 73; validity of denial to Emergency Court of power to stay Adm'r's orders, 74, and of grant to it of exclusive jurisdiction to review Adm'r's orders, 75-6; Federal Government's power to enact EPCA as adjunct to, war power, 77-9, power to requisition and to purchase goods, 79-81, fiscal powers, 81, power to regulate value of money, 81-2; validity, under due process clause, of price-fixing in wartime, 82-3; necessity of fair return to sellers of price-fixed goods, 83-6; validity of delegations of power to Adm'r, 86-88; validity of World War I rent control legislation, 113, 114; requirement that landlord continue services not a violation of 13th Amendment, 120; questions of, as to civilian supply administration: whether findings of fact must be included in orders, 140-1; validity under due process, of procedure, for P orders, 141, for preference ratings, 141-2, for L and M orders, 142-3, for S orders, 143; reviewability of orders, 145-6. See ADMINISTRATIVE PROCEDURE, JUDICIAL REVIEW.
- CONTRACTS**
effect of price orders on pre-existing, 50-2, and its constitutionality, 51-2; effect of priorities orders on pre-existing, 147-8.
- COURTS**
authority under EPCA of state and federal, to entertain injunction suits, 55, criminal proceedings, 55, triple damage suits, 56, license suspension proceedings, 58. See EMERGENCY COURT OF APPEALS, JUDICIAL REVIEW.
- CRIMINAL PROCEEDINGS**
against violators of EPCA, authorized, 55; against violators of priority orders, 146-7.
- DAMAGES**
provision denying recovery of, for acts done in reliance on EPCA, 46, on Priorities Act, 147-8; when triple, recoverable against sellers exceeding maximum prices, 55-6.
- Delaware, Lackawanna & Western R. R. v. Kutter*, 48.
- DIVISION OF CIVILIAN SUPPLY**
created by executive order in OPACS, 126; transferred to OPM, 126, to WPB, 126; legal authority for functions of, 126-30; types of orders used by, 130-7; internal procedures of, 137-40, their informality, 138-9. See CIVILIAN SUPPLY, PRIORITIES ACT.
- 810 West End Avenue, Inc. v. Stern*, 114.
- EMERGENCY COURT OF APPEALS**
created by EPCA, 69; standards for judicial review by, 70-2; power of, to correct procedural errors, 73; status of, as constitutional court, 73; denied power to stay Adm'r's orders, 73-4; exclusive jurisdiction of, 75-6. See COURTS, JUDICIAL REVIEW.
- EMERGENCY PRICE CONTROL ACT OF 1942**
references (chiefly those in text) to sections of:
Section 1(a), 27, 96; §1(b), 59.

Section 3(a), 36, 38, 39, 40, 41; §3(c), 38, 39, 40; §3(e), 39; §3(f), 41, 42, 43.
Section 4(a), 50, 53, 55; §4(b), 120; §4(c), 54; §4(d), 35, 83, 120.
Section 5, 46, 49.
Section 202(a), 52; §202(b), 53; §202(d), 53; §202(g), 54; §202(h), 54.
Section 203(a), 63; §203(b), 63, 66; §203(c), 63.
Section 204(a), 67, 69; §204(b), 71; §204(c), 69; 204(d), 70.
Section 205(a), 55; §205(b), 55; §205(d), 46, 47, 49, 51; §205(e), 55, 56, 121; §205(f), 58, 121.
Section 206, 25, 63.
Section 302(i), 32.
administrative experience antedating, 22-4; consideration of, by Congress, 24; need for appropriations to enforce, 25; prior price schedules continued in effect by, 25; declared purposes of, 96; provisions of, relating to maximum commodity prices, 26-33, 95-6; provisions of, protecting against speculation, quality deterioration, and evasion, 33-5; provisions of, setting limits on ceilings for agricultural commodities, 35-8, and their products, 39, as affected by Government payments, 40-1; limitations of, on sale by Government of agricultural commodities, 41-3; provisions of, for Government purchase or sale of commodities, irrespective of maximum prices, 43-5, and for Government subsidy of high-cost producers, 45; provisions of, for industry cooperation, 46, 47, 49; provisions of, giving immunity from antitrust action, 46-9; effect of, on pre-existing contracts, 50-2; acts prohibited by, 50; powers of Adm'r under, as to investigations, records, reports, and subpoenas, 52-5; disclosure of confidential information limited by, 54-5; enforcement of, by injunction suits, 55, by criminal proceedings, 55, by triple damage suits, 55-6, by licensing, 56-9; provisions for termination of, 59; administrative procedure created by, generally, 60-1; pre-issuance hearings not required by, 61-2; provisions of, for conduct of protest proceedings, 63-9; provisions of, for judicial review of Adm'r's orders, 69-76; validity of, as exercise of federal power, 77-82, under due process clause, as price-fixing measure, 82-6, as delegation of legislative power, 86-8; provisions of, authorizing maximum rents, 116-21. See ADMINISTRATIVE PROCEDURE, AGRICULTURAL COMMODITIES, ANTITRUST LAWS,

BRITISH PRICE CONTROL, CONSTITUTIONAL LAW, MAXIMUM COMMODITY PRICES, PRICE CONTROL, RENT CONTROL.

Federal Power Comm'n v. Natural Gas Pipeline Co., 72.

Fosburgh v. California & Hawaiian Sugar Rfg. Co., 48.

Gold Clause Cases, 51.

GREAT BRITAIN

rent control in, during World War I, 112, during World War II, 115. See BRITISH PRICE CONTROL.

Hegeman Farms Corporation v. Baldwin, 84.

Highland v. Russell Car & Snow Plow Co., 82.

Home Building & Loan Ass'n v. Blaisdell, 78.

HOOVER, HERBERT

quoted, on value of licenses, 57.

INDUSTRY COMMITTEES

provision in EPCA for consultation and agreements with, 46, 47, 49; protection against antitrust liability, 46-9, 154-8; use by OPA of informal agreements to control price, 94; procedure developed in WPB for advisory, 145; arrangements between WPB and Attorney General as to antitrust liability of, 145. See ANTITRUST LAWS.

INFLATION

defined, 6; unhealthy effects of, 7, 10-11, 96; need to correlate financial and physical expansions to avoid, 9; cause of, in wartime, 9-10; various methods to control, 14-21, 91; need for both direct price control and indirect measures to control, 20-1, 91, 93, 124-5; effect of taxation on, 18-20; effect of borrowing on, 20; effect on, of 110% parity prices for agricultural commodities, 37-8; need for over-all ceilings to curb, 91-2, 93, 104; tendency toward, in rents in defense centers, 111 (table). See PRICE CONTROL.

INJUNCTIONS

against violations authorized, 55; may not be issued to stay Adm'r's orders, by Emergency Court of Appeals, 73-4, by any other court, 75.

INVESTIGATIONS

power of Adm'r to conduct inspections and, 52-3.

JUDICIAL REVIEW

of orders by Adm'r: Emergency Court of Appeals created for, 69; institution of proceeding for, 69; record in, 69-70; legal standards for, 70-1; independent judicial determinations not required in, 70, 72; correction of procedural errors in, 73; denial of power to stay Adm'r's orders in, 73-4; exclusive jurisdiction for, in Emergency Court of Appeals, 75-6; question as to, of WPB civilian supply orders, 145-146. See ADMINISTRATIVE PROCEDURE, CONSTITUTIONAL LAW.

LABOR COMMITTEES

procedure developed in WPB civilian supply for advisory, 138, 144-5.

Edgar A. Levy Leasing Co. v. Siegel, 114.

LICENSES

value of price control by, 56-7; authority of Adm'r to require, 57-8; occupations exempted from, 58; proceedings for suspension of, 58-9.

LIMITATION (L) ORDERS

function of, 130, 135; statutory authority for, 130; examples of use of, 131-3, 135-6; procedure for issuance of, 142; question whether, may be challenged, 143; appeals provisions in, 143; enforcement of, 146-7.

M ORDERS

see CONSERVATION (M) ORDERS.

MARGINS

difficulties of controlling dealers', 16; danger of "squeezing" dealers', by broad ceilings, 105.

MAXIMUM COMMODITY PRICES

pre-statutory schedules of, continued by EPCA, 25; when Adm'r may establish, 26-7; requirement that, be "generally fair and equitable," 27-8, 99, flexibility of standard, 28; requirement that Adm'r consider Oct. 1-15 prices in setting, 28-30; requirement that Adm'r consider past costs and profits, 29-31, 100, "fair return on fair value" not a criterion for, 99-100; as fixed by temporary regulations, 31-2; flexibility of, through classifications, adjustments, etc., 32-3, 101, through definition of price, 32; protection of, against speculative or evasive practices, 33-5, 95; selection of commodities in fixing, 92; extent of, already established, 93; procedure followed by OPA in setting, 95; maintenance of needed supplies as criterion in setting, 97; importance of trends in unit costs in setting, 98; advantages of price reductions effected by, 98-9; advantages and difficulties of differential pricing, 101-3; method of setting, for unstandardized items, 104. See AGRICULTURAL COMMODITIES, BRITISH PRICE CONTROL, EMERGENCY PRICE CONTROL ACT, PRICE CONTROL.

Morgan v. United States, 68.

NATIONAL DEFENSE ADVISORY COMMISSION

(Advisory Commission to the Council of National Defense) creation of, 23, 125; Price Stabilization Division, in, 23, ceilings issued by, 23, superseded by OPACS, 24; activities of, relating to civilian supply, 125.

OFFICE OF PRICE ADMINISTRATION

creation of, by executive order, 24, 126, by statute, 25; activities of, in controlling prices to date, 92-95; action of, to control rents, before EPCA, 107-110, under EPCA, 121; arrangements of, with Atty. Gen. concerning antitrust laws, 46, 154-8.

OFFICE OF PRICE ADMINISTRATION AND CIVILIAN SUPPLY

creation of, 24, 126; powers of, as to civilian supply, 126, transferred to OPM, 126.

OFFICE OF PRODUCTION MANAGEMENT

creation of, 24, 125; Priorities Board created in, 125, its limited civilian supply activities, 125-6; Division of Civilian Supply created in, 126, 127,

broad powers of, 127-8; arrangements of, with Atty. Gen. concerning antitrust laws, 145, 154-7. *Opp Cotton Mills, Inc. v. Administrator of Wage and Hour Division*, 87.

OVER-ALL CEILING

proposal for, 17; difficulties in administering, 17-8, 91, 104-6; compared with selective control, 91-2; "squeezing" retailers or their suppliers under, 105-6.

Panama Refining Co. v. Ryan, 140, 141.

PREFERENCE RATINGS

as used under P orders, 130-1, under L orders, 131, under M orders, 131; origin of use of, 134; inadequacies of, to assure supplies, 134-5; question whether denials of, may be challenged, 141-2; enforcement of, 146-7.

PRICE

normal function of, 6-7, 123-4; effort of war on functions of, 7-9, 124-5; government buying as influence on, 15. See MAXIMUM COMMODITY PRICES, PRICE CONTROL.

PRICE CONTROL

importance of public support for, 3-5, 106; purposes of, as declared in EPCA, 96; effect of, on recent prices, 11; difficulties of, for consumer goods, 15-6; various methods of, 14-21; need for both direct, and indirect, 20-1, 91, 93, 124-5; need for teamwork among governmental agencies for, 21, 25; conditions setting framework for, 89-90; objectives of, to maximize productive efficiency, 90, to equalize war burden, 91, to retard inflation in purchasing power, 91, to minimize post-war maladjustments, 91; selective and over-all, compared, 91-2; criteria for application of selective, 92-3; problems of over-all, 104-6. See BRITISH PRICE CONTROL, EMERGENCY PRICE CONTROL ACT, INFLATION, MAXIMUM COMMODITY PRICES, RENT CONTROL.

PRIORITIES ACT

enactment of, 125, 127; amended by Vinson Act to cover civilian supply, 126, 127, 128; delegation of powers under, 127; legislative history of Vinson Act with respect to civilian supply, 128-129; clarified by amendment by Second War Powers Act, 129-30; standards in, for priorities decisions, 142; penalties for violating, as provided in Second War Powers Act, 146, 147; immunity for contract defaults in reliance on, 147-8. See CIVILIAN SUPPLY, CONSERVATION (M) ORDERS, LIMITATION (L) ORDERS, PREFERENCE RATINGS, PRIORITY (P) ORDERS, SUSPENSION (S) ORDERS.

PRIORITY (P) ORDERS

function of, 130; statutory authority for, 130; preference ratings under, 130-1; question whether, may be challenged, 141; enforcement of, 146-7.

PROCEDURE

see ADMINISTRATIVE PROCEDURE.

PRODUCTION

effect of armament drive on, 7-9, 123-4; limits on capacity for, 12-13; price as a factor determining, 11, 13, 90; efforts of Government to expand, 14-

15, 94; maximizing efficiency in, as objective of price control, 90; use of differential prices and subsidies to stimulate, by high-cost producers, 101-3; need to protect, against restrictive influences of cartels, 150-2.

PROFITS

impracticability of eliminating, in war, 14; protected by need to keep high-cost producers active, 16; period for comparison of, in setting price ceilings, 29-30, 100; need to consider seller's over-all profits, 30-1; "fair return on fair value" not a criterion in setting price ceilings, 99; price ceilings cannot guarantee, 100-1.

QUALITY

need to control quality of price-fixed goods, 16, 33; provisions of EPCA against deterioration of, 33; simplification and standardization as means of maintaining, 34.

Railroad Comm'n of Texas v. Rowan & Nichols, 72.

RATIONING

need for, when wartime demand exceeds supply, 16, 97, 122-5, 134-7; price control as supplement to, 97, 125; inadequacy of price as a wartime means of, 124-5. See BRITISH PRICE CONTROL, CIVILIAN SUPPLY.

RECONSTRUCTION FINANCE CORPORATION

authorized by EPCA to buy and sell through subsidiaries strategic and critical materials, 44-5.

RECORDS

power of Adm'r to require reports and, 52-3; limit on power to subpoena, of business, 53.

RENT CONTROL

types of communities in need of, 107; extent of movement to defense centers, 108-9; inadequacy of housing built for sale or by Government to meet demand, 109-10; effect of auto restrictions on housing shortage, 110; extent of rent increases as revealed by surveys, 110-1; inflationary effects of rent increases, 111-2; legislative precedents for, in Europe after World War I, 112, in District of Columbia, 113, 115-6, in Mass., N. J., and N. Y., 113-4, in New South Wales, 114, in Great Britain, 115, Canada, 115; constitutionality of, 113, 114; under EPCA: restriction of, to "defense-rental areas," 116, its legislative history, 116-7; requirement that Adm'r make recommendations stating need for regulation, 117; dates to be considered by Adm'r in setting maximum rents, 118; requirement that rents fixed be "generally fair and equitable," 118-9; provisions against evasion, 119, 120; protection of tenants against eviction, 119-20; definition, of "housing accommodations," 120, of "defense-rental areas," 121; authority to require license as condition to renting, 121; first action taken by Adm'r under EPCA, 121. See EMERGENCY PRICE CONTROL ACT.

ROOSEVELT, FRANKLIN D.

quoted, on power to sell agricultural surpluses, 43, on arrangements concerning wartime antitrust prosecutions, 158.

SECOND WAR POWERS ACT

Priorities Act clarified by, 129-30; penalties for priorities violations provided by, 146-7; amends Vinson Act provision for immunities on contract defaults, 148.

SELF-INCRIMINATION

privilege against, must be claimed, 54; Compulsory Testimony Act applicable in case of claim of, 54.

SHERMAN ACT

see ANTITRUST LAWS.

STATEMENT OF CONSIDERATIONS

functions of, required by EPCA, 31; differentiated from recommendations as to rents, 117.

SUBPENAS

power of Adm'r to issue, 53; enforcement of, issued by Adm'r, 53.

SUPPLY

see CIVILIAN SUPPLY, PRODUCTION

SUPPLY PRIORITIES AND ALLOCATIONS BOARD

creation of, 126; powers of, over civilian supply, 127, 129; powers of, transferred to WPB, 129.

SUSPENSION (S) ORDERS

function of, 143; procedure for issuance of, 143.

TAXATION

effect of increased, of incomes, 18-19; effect of, by increased excise taxes, 19-20.

United States v. Macintosh, 77, 83.

United States v. Socony-Vacuum Oil Co., 47.

United States v. Wrightwood Dairy Co., 79.

VINSON ACT

see PRIORITIES ACT.

WAGES

effects of increases in, 10, 93; World War I policy as to, 11; control of, under over-all ceiling, 17-8; influence of high rents on, 111-2.

WAR PRODUCTION BOARD

creation of, 126; powers of SPAB transferred to, 129; relation of Division of Civilian Supply to, 137-40; function of Requirements Committee of, 137; appeals to, in civilian supply cases, 143-4; arrangements of, with Atty. Gen. concerning anti-trust laws, 145, 157-8.

INDEX—GOVERNMENTAL TORT LIABILITY

ADMINISTRATION

of public tort liability: City Attorney's role in, 234-5, 237, 287, 289, 348-51, 365-6, 343-4, 348-62; problems in, 235-6, 343-4, 348-62; lack of records on, 239-40; organization for, 349-50, filing of claims, 350; investigative practices in, 351-4; time factor in, 346, 356-7; amounts claimed, 357-60, claims made in Virginia, 298, 364-5; judicial participation in: generally, 344-7, delay through, 345-6, disadvantages in, 346, 347, advantages in, 347, expenses of, 347, as influenced by *stare decisis*, 217. See MUNICIPAL TORT LIABILITY, STATE TORT LIABILITY, FEDERAL TORT LIABILITY, NEW YORK, STATISTICS.

Bailey v. The Mayor of New York, 215, 216.
Barrett v. State, 271.

Chisholm v. Georgia, 244, 245.

COMPARATIVE LAW

of systems of governmental tort liability: England, 182-7; United States, 187-96; Germany, 196-205; France, 205-11; final conclusions on, 211-3.

CONSTITUTIONAL LAW

state liability for torts as affected by, 243-7, 244, by U. S. Constitution, Art. III, 243-4, 11th Amendment, 244-6, 332.

COUNTIES

public tort liability of: model draft act, 298. See MUNICIPAL TORT LIABILITY.

COURT OF CLAIMS

Act of 1855 relating to, 188, 243, 312; Act of 1863 relating to, 312; federal contract liability enforced in, 312, 313, 333; Act of 1910 permitting patent infringement suits in, 313; advisory action by, on Congressional resolution of reference, 323; proposed as appellate court under Federal Tort Claims Bill, 329.

Cunningham v. Macon & Brunswick, 188.

EMPLOYEES COMPENSATION ACT

see FEDERAL TORT LIABILITY.

ENGLAND

public tort liability in: history of, 182; liability of the Crown or central government, 182-4, 243; Crown Proceedings Committee Report on, 184; responsibility of administrative officers and, 184-5; as affected by Statute of Westminster I, 184, II, 185; of local authorities, 185-6; law of, summarized, 185-7, "emanations of the Crown" as qualifying, 184, 185; doctrine of *respondent superior* as affecting, 185-6; doctrine of *ultra vires* as qualifying, 186, 187.

Erie R. R. v. Tompkins, 322.

FEDERAL TORT CLAIMS BILL

legislative history of, 282, 327-8, 332; provisions of, as to: exempted activities, 285, 330-2; scope of

liability, 291, 329; exclusive jurisdiction of district courts, 328, 329, liability for federal "agencies," 328; venue, 329, settlement, 329; procedure, 329; substantive law, 329-32, immunity for action under unconstitutional statute, 330-1, limitations, 331; need for enactment of, 333-4; Presidential message on, 325-6, 327-8.

FEDERAL TORT LIABILITY

suits against the U. S. based on, 243, 311, 333; history of, 311-4.

private Acts of Congress establishing: generally, 243, 311-2, 321-6; providing direct payment in cases of, 322; waiving immunity from suits to enforce, 313, 322, 333; waiving defenses against, 322; limiting amounts recoverable for, 322; procedure in passing on, in Congressional Claims Committees, 323-4, 325, in House and Senate, 324, 325, in omnibus bills, 324-5; Presidential participation in, 325; Presidential message on, 325-6, 327-8; Federal Constitution in relation to, 243, 333.

judicial determination of: generally, 313-7, under "Suits in Admiralty Act of 1920," 314-5; under 1925 amendments to Act of 1920, 315; in suits for patent infringements against U. S., 313, 316, 333, for damage to oyster beds, 316; for torts of federally owned or controlled corporations, 316-7. administrative determination of: generally, 317-21, 334; by Federal Employees' Compensation Comm'n, 118, 188, 317; under "Small Claims Act of 1922," 317-8, by U. S. department and bureau heads, 318-21; procedural and substantive limitations on, 321.

Fowler v. City of Cleveland, 190.

FRANCE

public tort liability in: system of, 205; historical development of, 205-9; under Civil Code, 206; distinction of public and proprietary functions as affecting, 206, 208; Council of State administering, 206; "administrative guarantee" as basis of, 206-7; *Blanco* case as affecting, 207; *Pelleier* case establishing four principles of, 207, 208; doctrine of risk as affecting, 208; system of, summarized, 210-1; *Feutry* case as affecting jurisdiction over "departments" and "communes," 209; liability of officials, 209-10; personal fault and "fault of service" distinguished in, 209, 210; *Compagnie Générale, Sieur Hacquart, Martin, Justet, and Anguet* cases as affecting, 210.

Constitution, 202-3; law of, summarized, 204-5; liability of officials, 203, under Civil Code of 1900, 203-4.

Hans v. Louisiana, 188.

Karl v. State, 274.

Kawanakoa v. Polyblank, 187, 188.

Keifer & Keifer v. Reconstruction Finance Corporation, 331.

Miller v. Horton, 194.

Mower v. Leicester, 191.

MUNICIPAL TORT LIABILITY

as affected by distinctions based on character of functions: public and private, 189-90, 214, 283; proprietary and governmental, 217, 218, 219, 226, 283, 296, 297, 339; mandatory and voluntary, 221, discretionary and ministerial, 222-3; arising regardless of nature of functions, 218; tests for: generally, 219-24, 297; nonfeasance and malfeasance, 190; pecuniary profits or charges for services, 221, 222, 226, 227; "local benefit," 222, 228; "active wrongdoing test" in New Jersey, 223-4, 232; historical test, 224; scope of: based on negligence, 285-6, 296-7; on nuisance, 218, 228, 296, 297; *ultra vires* doctrine as restricting, 229; fear of excessive liability as circumscribing, 220-2, 341-2, 363-7; as affected by criminal law, 231; in cases involving: Police Department, 222, 224-5, 291, 297-8; Fire Department, 221, 222, 225, 231, 297, 298; water, gas and electricity supply, 225-6; for sewers and garbage disposal, 226; streets, sidewalks and bridges, 226, 288-9, 296, 297, 298, 307, 309; traffic signals, 227; parks, swimming pools and recreation centers, 227-8, 297; education 228, 297; airports, 228, 298.

statutory changes as affecting: generally, 229, 230, 284-6, 336-7; relating to negligence, 285-6, 296-7; to damages for pain and suffering, 286; procedural limitations on, 286-90, 309-10, 342, 350-1; "notice laws," 230, 286-7, 342, 350-1; jury trial, 285, pre-trial examination, 287, 353, settlement, 287-8, 354-6; notice of defect, 288-9; "minor defect" rule in California, 288; special statutes for small municipalities, 289, 307, 308-10, 363-7; insurance, 289-90, 309, 367; motor vehicles, 297, 301, 302; mob violence 297, 302; costs of liability, 298, 364-5, of administration, 360-2.

commentators on: Prof. Borchard, 214, 216, 218, 222, 226; earlier criticism, 215, modern, 216, suggestions, 230-3, 339, 342; bonding of officers suggested, 232, complete liability urged, 232-3; local policies and attitudes considered as explaining divergencies, 339-42, arguments for continued immunity, 341-2; for assumption of, by states, 309, 367.

model draft acts: general, 298, on motor vehicle liability, 301, 302; on mob violence, 302; on police officers' stray bullets, 303; on assistance to police

officers, 303; for assumption of liability by state, 309-10. See NEW YORK.

Murray v. Hoboken Land & Improvement Co., 194.

NEW YORK

public tort liability in: history of, 262; Board of Canal Appraisers, 262-3; State Board of Audit, 263-4; Board of Claims, 264; Court of Claims, 264, 266; substantive law on, 266-74; consent to be sued and assumption of, 286-8.

Court of Claims Act of 1939: as affecting, 268; scope of liability under, 268-74; negligence under, 269; governmental and proprietary functions, 269-72; suits by felons, 272, consequential damages, 272; highway defects, 273-4, 305; procedure, 274-7; jurisdictional requirements, 274-5; limitations on suits, 275, 307; rules of pleading, 275-6; appeals, 277; settlements, 277-9; administration, 278; administrative costs, 278; investigations, 279, payment of awards, 279, 280, 281, conclusions on, 280-1.

texts of New York statutes on: general municipal law, 304; highway law, 305, judiciary law, 306; mental hygiene law, 306; public authorities law, 307; public housing law, 307, second class cities law, 307, town law, 307, village law, 308.

OFFICIALS

tort liability of: legislative, 192; judicial, 192; executive, 192; administrative, 192-3; ministerial, 193; criteria for, 193-4, for action under unconstitutional statutes, 194, 247, for nonfeasance and malfeasance, 195, 196; *ultra vires* doctrine as affecting, 186, 187, 194-5; as affected by numerous distinctions, 196; bonding of officers against, 232; public liability insurance as affecting, 232; reimbursement statutes as affecting, 232-3; rule of law as affecting, 247, 248; indemnification as protection against, 297-8.

Paige v. State, 269, 270, 271, 272.

PUBLIC TORT LIABILITY

concept of: appraised, 283, scope of, 285, 337; negligence as resulting in, 285, 291, 217; in federal tort claims bill, 330-1; conflicting theories underlying, 337-8; "social cost" notion as basis of, 338, 340. See MUNICIPAL TORT LIABILITY, STATE TORT LIABILITY, FEDERAL TORT LIABILITY, NEW YORK, STATISTICS.

RESEARCH

in public tort liability: generally, 234-51, 336; sponsored by Committee on Public Administration of Social Science Research Council, 235-6, 284, 335-6, 344, 348; lack of statistical data for, 236, 285; of records for, 239-40; by A. B. A. Committee, 236, 238, 284; by Bureau of Public Administration of University of Virginia, 238, 348, 363; by Prof. R. S. Rankin in North Carolina cities, 238; findings of, in Austin, Boston, Chicago, Medford, and Washington, D. C., 240-1, 284, 289-90, 336, 345; over-emphasis on case analysis in, 336.

RESPONDEAT SUPERIOR

doctrine of, as basis for public tort liability, 185-6, 338-9, 219; in N. J., 224, in N. Y., 263, 265, 266, 271, 272, 274.

Russel v. The Men of Devon, 191, 215, 216, 234.

Smith v. State, 265, 266, 267.

SOVEREIGNTY

as basis for non-liability: in England, 183; in U. S. A., 187, 242-3, 331-2; challenged by Prof. Borchard, 216.

STATE TORT LIABILITY

generally, 242; Federal Constitution as affecting, 243-6; consent to suit asserting, 245-53, 254, 255, 257, 258, 290; state-owned corporations causing, 246; rule of law as affecting, 247, 248; moral obligation as basis for, 247-9, 291, 342.

legislative determination of: generally, 249-51, 259, 290; right of petition as basis of, 249, 250; claims committees in, 250, 251, problems of, 342-4; administrative determination of: generally, 251, 291-2, 343; claims commissions, 251-3.

judicial determination of: generally, 253, 257-9, 280, 281, 292, 343; state constitutions and statutes on liability to suit as affecting, 253, 254, 290;

courts of claims in: Illinois, 254, Michigan, 254, New York, 254, 255, 259, 262, 290-1, 292; Nebraska practice, 255-7; procedures summarized, 259-61.

governmental and proprietary functions as affecting, 283, statutory changes in, 284-5; jury trial for determination of, 285; cost of, 292-3; model statutes for, 293-6. See New York.

STATISTICS

on public tort liability: for New York Court of Claims, 259, 281, 292-3; Nebraska, 259; Michigan, 292; for New York municipal liability, 298; under private acts of Congress, 321-2; for Austin, Boston, Chicago, Los Angeles, Medford: as to nature of claims, 344, outcome and duration of suits, 345, 346; pre-trial settlements, 354; of amounts claimed, settled, recovered, etc., 357-60, costs of administration, 360-1; regarding the burden of small municipalities, 363-4, 366.

UNITED STATES

see CONSTITUTIONAL LAW; COURT OF CLAIMS, FEDERAL TORT CLAIMS BILL; FEDERAL TORT LIABILITY. *United States v. Sherwood*, 331.

Western Maid, The, 188.

INDEX—LABOR IN WARTIME

- ALIEN LAWS**
restrictive, enacted, 375-6, 388-9.
- ALLOCATION**
of labor supply: as between industry and armed forces, 432-4; conversion of industries to war production, 435; development of new industries in places without labor supply, 435-6; influence of strategic factors in, 436; use of priorities system in, 436-7; use of occupational questionnaires in, 437; planned ratings of industries by WPB for use in, 437; deficiencies in current program for, 437; successive orders for, in Great Britain, 523-5, in Australia, 533, in Canada, 537, in New Zealand, 540, in Germany, 556-65. ("Big Steel"), 489; Walker-Turner Co., 476, 477, 479; Western Pennsylvania Motor Carriers Ass'n, 488; S. A. Woods Machine Co., 478, 489.

NATIONAL YOUTH ADMINISTRATION

vocational training programs of, 427.

NEGROES

action taken to stop discrimination against, in employment, 384, 413, 414; training of, for war industries, 413.

NEW ZEALAND

drastic action in, begun after Japan's entry into war, 522; extended industrial controls in, at beginning of war, 539; conscription of labor author-

ized in, 539; control over termination of employment in, 540; restraints on, and volume of, strikes in, 540-1; training program for war workers in, 541; rates of pay in, 541-2; hours of labor in, 542.

OFFICE OF EDUCATION

U. S.: vocational training programs of, 385, 427, 428-9.

OFFICE OF PRODUCTION MANAGEMENT

Labor Division of, planned action to aid displaced workers, 382, undertook training programs, 383; created branch to aid Negro employment, 413.

OLD AGE INSURANCE

loss of benefits resulting from military service, 391; decrease in benefits paid by, as result of war work, 422.

OPPRESSIVE LABOR PRACTICES BILL

introduced by Sen. La Follette, 374, 507; passed Senate in 1939, 507.

PLANT SEIZURE

ordered by President in aid of NDMB, 387, 504, in aid of NWLB, 489, bill for, proposed by Sen. Connally, 504, 505, 511, provisions of bills for, discussed, 512-3; bill for, proposed by Rep. Ram-speak, 519.

PRESIDENT OF THE UNITED STATES

limited emergency proclaimed by, in 1939, 374; executive action of, relating to labor, in 1940, 375, in 1941, 376, 403, in 1942, 405; calls conference of industry and labor representatives in Dec. 1941, 376, 378, 387, 472, 568; effect of anti-inflation program of, 376; urges maintenance of wage standards in defense program, 378; suspends hours limitations of Eight Hour Law, 381; secures union agreement to suspension of double pay, 382; powers affecting labor granted to, by First and Second War Powers Acts, 393; transfers by, of bureaus among departments and agencies, 393; makes U. S. Conciliation Service first-line agency to handle labor disputes, 403; creates Nat. Ry. Labor Panel, 405; creates NDMB, 405, 503; creates NWLB, 378, 406, 467; creates Maritime War Emergency Board, 412; orders plant seizures in aid of NDMB, 387, 504, in aid of NWLB, 489.

PRICE CONTROL ACT

proposals to include wage controls in, 375, 380.

RECRUITMENT

sources of labor force for, 420-3; centralized responsibility for, in U. S. Employment Service, 424, its activities in aid of, 425-6. See ALLOCATION, COMPULSORY LABOR MOBILIZATION, TRAINING.

REGISTRATION

of unions: bills to require, 377, 386, 507-11; large assets of unions as reason for, 507-8; Vinson Bill provisions for, 508, attacked by unions, 509, defended by Ass't Atty. Gen. Arnold, 509-10, criticisms answered by Vinson, 510-11. See UNION REGULATION.

SABOTAGE

legislation against, 375, 388; in states, sponsored by Council of State Gov'ts., 394, 397.

SAFETY

federal staff of safety experts created for defense

program, 390; various changes in federal safety laws, 390; state laws for, generally unaffected by war, 399; Rhode Island law to compensate workers for time lost by illness, 399; effect on, of long hours of work in Great Britain, 529-30, in Germany, 553.

SEDITION

legislation against, 387-8.

SELECTIVE SERVICE SYSTEM

provisions of Act relating to deferment by, 430-1, compared to those in First World War, 431; policy of, as to occupational deferment, 431; instructions of, to local boards to check essentiality of registrants' occupations, 433; physical deferment policy of, criticized, 433; importance in deferment policy of time required for training, 434; National Occupational Inventory conducted by, 425, 437; reclassification of striking workers by, 504, 506.

SELECTIVE SERVICE AND TRAINING ACT

rules in, as to reemployment of released soldiers, 393; deferment provisions of, 430-1; plant seizure amendments to, proposed, 511-2.

SHIP STABILIZATION COMMITTEE

creation of, by AFL and CIO unions and Gov't shipbuilding agencies, 409-10; composition of, 410; functions of, 410; policies of, 410; Pacific, Atlantic, Great Lakes and Gulf stabilization conferences of, 409-10; wage rates set by, 411-2; successful operation of, 412; address of, 417.

SMITH-VINSON BILL

legislative history and provisions of, described, 385-6, 516-8.

STABILIZATION

see NATIONAL WAR LABOR BOARD, WAGES.

STRIKES

bills to curtail, in defense industries proposed in 1941, 375, 385-6, 503, 513-6; development of opposition to, 385, 503-4; omnibus bill to forbid, and to regulate unions, summarized, 385-6; laws restricting, in Maryland, Texas, Georgia, California, Mississippi, 397; small proportion of, affecting war effort among Conciliation Service cases, 404, 468; time lost by, as compared to colds and accidents, 469; increased use of conciliation to prevent, 469; pledges against, in wartime in 1918 and 1941 compared, 472-73; effect of NDMB on, 474; attitude of NWLB toward jurisdictional, 487-8; dangers in arousing emotional attitudes toward, 493; relation of, to Congressional attitudes on labor bills, 503-4; survey showing extent of, in defense industries, 507; provisions of Ball Bill to restrain wartime, 514-6; provisions of Smith-Vinson Bill to restrain, 385-6, 517, 520; restraints on, and volume of, in Great Britain, 527-9, in Australia, 534-5, in New Zealand, 540-1. See HOURS OF LABOR, NATIONAL WAR LABOR BOARD, UNION SECURITY, WAGES.

SUBVERSIVE ACTIVITIES

legislation against, 387-8; in maritime industry, 388; provisions in Smith-Vinson Bill against persons suspected of, employed by defense contractors, 517-8, proposals to deny union membership or offices to persons suspected of, 506, 520.

TRAINING

of workers for war industries: emergence of need for, 382-3, 419; various governmental agencies engaging in, 383, 413; upgrading and job simplification to shorten needed, 424; emphasis on development of currently needed skills, 427; programs for, of U. S. Office of Education, 427, 428, National Youth Adm'n, 427, Apprenticeship Section of FSA, 427, WPA, 428, Training-Within-Industry Branch of FSA, 428, of commercial schools, colleges, and universities, 429; advantages of military services in, for skills, 430; as a means of avoiding labor waste, 450; programs for, in Great Britain, 526-7, in Australia, 533-4, in Canada, 538, in New Zealand, 541.

TRAINING-WITHIN-INDUSTRY BRANCH

of Federal Security Agency: vocational training programs of, 428.

UNEMPLOYMENT

caused by priorities, 382-3; as providing source of labor supply, 420.

UNEMPLOYMENT COMPENSATION

proposed for workers displaced by conversion, 376, 390-1, successfully resisted by state officials, 391; amendments in state, laws to protect service men from loss of credit, 399, to meet other war needs, 399-400.

UNION REGULATION

bills to require union registration or incorporation, 377, 386, 507-11; bills defining responsibility of unions and officials, 377, 506; bills regulating use of union funds, 377, 507; bills requiring democratic procedures in union action, 377, 386; bills setting qualifications for union officials, 386, 520; bill forbidding violence and intimidation, 386, 518, 520.

UNION SECURITY

proposals that status of unions be frozen, 378, 386, 515, 518; union counter-demand that membership be continued, 378; NDMB rulings relating to, 378, 406, 475; issue of, in President's industry-labor conference, 378; jurisdiction over, asserted by NWLB, 407; rulings on, of NWLB, 475-81, developing pattern in, 479-81.

UNITED STATES CONCILIATION SERVICE

great bulk of labor disputes handled by, 386, 403; liaison between, and war departments and agencies, 386, 467-8; panel technique used by, 387, 404, 465; voluntary arbitration by, 387, 404, 465; named by President as first-line agency to handle war labor disputes, 403; increase in case load of, during 1942, 404, 469, not an indication of increased strikes, 469; success of, in settling disputes, 404, 469; address of, 417; origin of, 462; organization of, 463-4, volume of business of, 464; techniques of conciliation used by, 464; technical service given by, to negotiators, 466-7.

UNITED STATES EMPLOYMENT SERVICE

as mechanism through which War Manpower Comm'n may control transfer of workers, 415; centralization of labor recruiting duties in, 424; limitation of peacetime activities of, 424; "Dictionary of Occupational Skill" compiled by, 425; work of Farm Placement Service of, 425; National

Occupational Inventory conducted by, 425, 437; clearance among offices of, 426; current recruitment problems of, 426; ordered to prepare list of essential activities, 432; cooperation of, with Selective Service System, 433; system of priorities adopted in referrals by, 436-7, 444.

UNITED STATES SUPREME COURT

small number of labor decisions of, revealing impact of war, 401-2. See CONSTITUTIONAL LAW.

WAGES

control of, excluded from Price Control Act, 375; stabilization of, proposed by President, 376, 380; support of minimum wage laws by President, 378-9; minimum wage laws sustained by Congress, 379; agreements limiting, in shipbuilding and construction industries, 380, 409, 410-2; criteria for adjustments in, set by NWLB, 380, 481-5; double pay for holiday overtime limited, 382; rulings of, NWLB on overtime, shift differentials, and vacation, 483-5; dangers in arousing emotional attitudes toward disputes affecting, 492-3; effect of First World War on, 493-4; stabilization of, compared to freezing of, 494; possibility of using Wage and Hour Law industry committee device as means of stabilizing, 494-5; ability of industry to pay higher, for overtime, 497-8; overtime, as means of labor recruiting, 499; increases in, in Great Britain, 530-1, in Australia, 535, in Canada, 536-7, in New Zealand, 541-2; control of, in Germany, 550-3, wage freezing in Germany, 552; temporary abolition of overtime in Germany, 553. See HOURS OF LABOR, NATIONAL WAR LABOR BOARD.

WALSH-HEALEY ACT

attacks in Congress on, in 1939, 374; preserved in acts amending government contracting procedure, 379; administrative relaxations of, 382.

WAR MANPOWER COMMISSION

creation of, in 1942, 376, 413, 414; address of, 417; joins staffs of vocational, apprenticeship and in-plant training programs, 383; early announcements as to program of, 385, 415; transfer to, of various branches of WPB Labor Division, 413; composition of, 414; functions of, generally, 414; Gov't agencies which must conform to directives of, 414-5; Gov't agencies transferred to, 415; probable use by, of U. S. Employment Service to control transfers of employment, 415; ordered list prepared of essential activities for use in deciding deferments, 432.

WAR PRODUCTION BOARD

reorganization of Labor Division of, 376, 413, address of, 416; various branches of Labor Division of, before reorganization, 413; ratings by, of importance of industries in war program, 437.

WOMEN

early reluctance of schools and employers to train, 384, 421; importance of, in wartime labor supply, 421; power to conscript, in Great Britain, 524-5; aid to working mothers in Great Britain, 526; training of, in Great Britain, 526; use of, in war work in Australia, 534, in Canada, 538, in New Zealand, 542.

WORKS PROJECTS ADMINISTRATION

vocational training programs of, 428.

INDEX—THE CORRECTION OF YOUTHFUL OFFENDERS

- ADMINISTRATION**
 need for integration in, of correctional system, 583, 597-8, 667, 731; coordination of, under proposed Federal Correction Act, 650-1; organization of a YCA (with chart), 704-6; value of lay boards in, 706; in-service training, research and statistics and business units of a YCA, 709; estimates of staff needed for, of YCA program, 710-9; see Costs, PERSONNEL.
- AMERICAN LAW INSTITUTE**
 initiation of YCA Act study, 600; statements of, concerning YCA Act attacked, 632; sponsors Youth Court Act, 730, 740, 747.
- ANNANDALE**
 (New Jersey Reformatory at) good vocational program at, 593; small size as factor in success of, 593; program at, described, 670-1.
- ARREST AND DETENTION**
 demoralizing effect of, on youths, 589; special provision for, of youths, lacking in Detroit and Brooklyn youth courts, 735, 736, proposed in Youth Court Act, 742, and in N. Y. youth court bill, 745.
- ASHURST-SUMNERS ACT, 594.**
- AUSTRIA**
 youth crime in, during and after World War I, 586; youth court in, 752; sentencing practice in, 754; strict supervision over correctional system in, 756.
- BELGIUM**
 age limit for youth courts in, 750; emphasis on personnel training in, 755.
- BORSTAL SYSTEM**
 practicality of corrective treatment as demonstrated by, 653; activities of, 675-6; diagnostic methods of, 687-8; importance of personal influences in, 697-8; aid given to, by Borstal Associates, 699-700.
- BURGLARY**
 high rate of, by youths, 583.
- CALIFORNIA YOUTH CORRECTION AUTHORITY**
 adoption of act creating, 579, 637, 655; method of selecting members of, 655; establishment of, 656-7; preliminary tasks facing, 657; handicaps of, 657; diagnostic unit provided for, 657-8; clinical psychiatrist employed by, 657-8; survey of youth crime undertaken by, 659; findings of (tables), 663-6; reorganization by, of Whittier School, 659-60, of Ventura School, 660-1; forestry camp program of, 661; research and workshop program of, 661-2; Mexican gang problem attacked by, 662.
- CALIFORNIA YOUTH CORRECTION AUTHORITY ACT**
 adoption of, 579, 637, 655; absolute indeterminate sentence not provided by, 637; differences between, and model YCA Act, 637, 656; preventive work authorized by, 672.
- CHILLICOTHE**
 (U. S. Reformatory at) good vocational program at, 593, 674.
- CHINO**
 (California Institution for Men at) noteworthy example of minimum security institution, 595, 676-7.
- CLASSIFICATION**
 inadequacy of, in jails, 592, in reformatories, 593-4; emphasis on, by U. S. Bureau of Prisons, 594; procedure for, in N. J., 670, in Va., 674-5, in Borstal System, 675; mechanical character of much institutional, 687.
- CONSTITUTIONAL LAW**
 need to protect civil liberties in applying indeterminate control to offenders, 619; grounds for attack on minimum-maximum sentence laws and YCA Act, generally, 637, 648-9, as impairing judicial power, 638, infringing governor's pardoning power, 638-9, delegation of legislative power, 639-40, denial of "due process of law," 640, denial of trial by jury, 640, failure to apportion punishment to crime, 640-1, cruel and unusual punishment, 647; analogy of YCA Act to valid juvenile court acts, 641-2, to "defective delinquent" and "sex offender" acts, 642-7; invalidity of Mich. "sex offender" act, 644, validity of Minn. "sex offender" act, 645, 647-8; validity of YCA Act's classification of youth offenders, 647, its procedural provisions, 647-8; importance of philosophy of correction in determining validity of YCA Act, 636, 648-9.
- CORRECTION**
 see PHILOSOPHY OF CORRECTION, TREATMENT AND TRAINING.
- COST**
 of present disposition of youth offenders in N. Y., 679; estimated, of disposition by YCA in N. Y., 680, 725, in states of various sizes, 719-20; extent YCA cost in N. J. would exceed present, 720. See PERSONNEL.
- COURTS**
 duty of, to commit to YCA, 604-5, 635; use of probation by, 606-7, 669; power of review of YCA action in extending control over youth offenders, 615-6, 635-6; YCA Act as impairment of judicial power of, 638; powers and duties of, under proposed Federal Corrections Act, 651, 652; retention of sentencing and probation powers of, urged, 723, 727-8.

CRIME, YOUTH

volume of, small relatively to all law violations, 582, large relatively to serious offenses, 582-3, 652-3; incidence of, in burglary, larceny, auto thefts, 583, 652; rates of, by age brackets, 583; recidivism rates for, 584-5; rates of, during and after World War I, 585-6, since outbreak of World War II, in England, 586, in U. S., 586-7; as affected by mental and physical changes in adolescents, 619; constitutionality of special treatment of, 647; volume of, against federal laws, 653; tables showing, in Calif. Superior Courts, 663-4, in inferior courts, 664-5, by race, 665, by sentence, 666, by place of detention, 666; recent increase in, doubted, 728.

DEFECTIVE DELINQUENTS

laws for custody of, in N. Y., Pa., Ill., Mass., and Minn., 614, 618-9, 642-3, constitutionality of, 643-7.

DENMARK

inapplicability to U. S. of many correctional methods used in, 693, 696; academic training in, 696; "Child Welfare Comm'n's" in, 751; good correctional results in, 755.

DIAGNOSIS

(of causes of misconduct) importance of, as aid to sentencing, 669, and treatment, 670, 685; successful center for, in Va., 674-5; importance of ascertaining offender's needs by, 685-6; determining potentialities for reformation by, 686-7; value of extended observation in, 687-8; success of, in Borstal System, 687-8; psychiatric and physical examinations in, 688-9; data derived from, physical diagnosis, 689-90, psychological diagnosis, 690-1, psychiatric diagnosis, 691-2; data derived from, developmental history, 692, social history, 692, educational history, 692-3, criminal history, 693; YCA staff needs for, 716-7; use of, in European youth courts, 752-3.

ELMIRA

(N. Y. State Reformatory at) first reformatory in U. S., 593; improvement in, 593, mass treatment in, 593; indeterminate control introduced at, 618, 637.

ENGLAND

youth crime rates in, 583, recidivism among first offenders in, 585.

FEDERAL CORRECTIONS ACT

(proposed) rejection of previous bill for federal indeterminate sentence law, 638; divisions of Board of Corrections and their functions under, 650-1; powers of courts in committing youth offenders under, 651, 652; forms of treatment of youth offenders contemplated by, 651; disposition of offenders by the Youth Authority under, 651-2; factual and theoretical bases for, 652-3; disposition of adult offenders under, 653-4.

FINLAND

age limit for youth courts in, 750.

FORESTRY CAMPS

as means of combatting idleness, 595; excellent, in Calif., Wash., and Mich., 595, 726; program of Calif. YCA for, 661; program of, of Los Angeles Probation Dep't, 677-9.

FRANCE

age limits for youth courts in, 750; personnel training in, 755.

GERMANY

recidivism among youthful offenders in, 584; youth crime in, during and after World War I, 586; punishment now dominant in correction in, 749; tribunal for trial of youth offenders in, 752.

"HABITUAL OFFENDER" LAWS

recognized as valid, 641; as cause of over-crowding in penitentiaries, 728.

HARRISON, LEONARD

quoted, on need for segregation of offenders, 594, on need for integration in correctional system, 597, on comparative costs of present and proposed programs for youth offenders in N. Y., 879-80, on powers of YCA, 724.

HAWES-COOPER ACT, 594.

HINCKS, CARROLL C.

Judge, enlists citizens as "friends" for parolees, 700.

HOLLAND

age limit for youth courts in, 750.

HOMOSEXUALITY

encouraged by lack of classification and segregation, 594.

IDLENESS

harmfulness of, enforced, 594, 694-5; developing state-use industries to combat, 594, accelerated by war needs, 595; value of forestry camps in combatting, 595.

INDETERMINATE CONTROL

(of youth offenders) provision for, in YCA Act, 604, 615-6, 617, 635-6; beginnings of use of, 618; of juvenile delinquents, 618, 641-2; of defective delinquents, 618-9, 642-3; need for, as means of treating abnormal youths, 620, of developing sufficient treatment programs, 621; contrasted with control over insane or contagious, 621; possibilities for objectivity in exercise of, 622, 636; analogy of, to medical treatment false, 624-5; possibilities for discrimination in, 625-7; as contrary to fundamental demands for fair play and liberty, 628-30; constitutional objections to, 637-41; need for, law for all offenders, 730. See CONSTITUTIONAL LAW, PHILOSOPHY OF CORRECTION, TREATMENT AND TRAINING.

ITALY

punishment as objective of correction in, 749; youth courts in, 752; differentiation between offenses in, 753.

JAILS

unsatisfactory condition in, 591-2; demoralizing effect of, on youths, 592; inspection of, in N. J., 672.

JUDICIAL CONFERENCE OF SENIOR CIRCUIT JUDGES

(Committee on Crime of) report on sentencing practices quoted, 590, 730, Federal Corrections Act proposed by, described, 650-2, other recommendations of, 653-4. See FEDERAL CORRECTIONS ACT.

JUVENILE DELINQUENTS

relation of, to youth crime, 583; effect of war on, 585-7; indeterminate control of, 619, 641-2; constitutionality of juvenile court acts, 641-2; extension of age definition of, 632-3; various age definitions of, in Europe, 749-50; procedures for trial of, in Europe, 751-2.

LARCENY

high rate of, by youths, 583, especially auto thefts, 583, 653.

LEAGUE OF NATIONS

report by Child Welfare Committee of, 756.

MEDICAL AID

need for, in rehabilitating offenders, 611, 684, 689-90.

Minnesota ex rel. Pearson v. Probate Court, 645, 647.

NEW JERSEY DEPARTMENT OF INSTITUTIONS AND AGENCIES

extensive control of, over offender, 669; effort of, to provide courts with diagnostic service, 669; diagnosis and classification procedure of, 670; training procedure of, at Annandale, 670-1; work of parole division of, 671-2; jail inspection by, 672; crime prevention program of, 672; experience of, as to intake of youth offenders, 710, 711, as to operations of staff workers, 714.

NORWAY

"Guardianship Councils" for youth offenders in, 751.

PAROLE

as essential means of reestablishing offender in society, 596; legal provision for, 596, 608; variety and inadequacy of provision for, 596; effective administration of, by U. S., Mich., N. J. and N. Y., 597, 671-2; need for community cooperation in, 597, 699-700, 703; provision for use of, in YCA Act, 608; high rate of violation of, by youths, 620; constitutional attacks on laws providing for, 637-41; provision for, under proposed Federal Corrections Act, 652; need for treatment measures in, 699; need for citizen volunteers to serve as "friends" of parolees, 699-700; need for proper correctional treatment before parole, 701-3; parole failures caused by community influences, 703.

People v. Frontczak, 644.

PERSONNEL

basic importance of trained, sympathetic, 595-6, 693, 755, 757, 759; high quality of, at Chino, 676, in California forestry camp, 678; problems of a

YCA: requirements of, 704, relations with civil service, 707, standards for specific jobs, 708, difficulties in finding, 708, in-service training by, 709, case load to be handled by, 710, 712-3, 724, as affected by pre-sentence investigation and types of treatment, 712, size of social work staff needed, 713-16, size of clinical staff needed, 716-7, size of institutional staff needed, 717, total needed staff summarized, 718-9; danger of political influences in selection of, 723; quality of, as factor in success of certain European correctional systems, 755.

PHILOSOPHY OF CORRECTION

punishment as exaction of expiation, 601, in philosophy of Kant and Hegel, 601, as means of preventing future offenses, 601, 609, in philosophy of Plato, 601, 633; difference between law as deterrent to others and as deterrent to offender, 602; fear of disgrace, not punishment, as chief deterrent of criminal law, 602; underlying YCA Act, 602-3, 617, 624, 636; principal causes of punitive system's failure to prevent recidivism, 603, 623; deficiency of will to abstain, as cause of recidivism, 609; reduction of pressures toward crime as means of reducing recidivism, 610; relation of indeterminate control to treatment process, 619-20, 623, 624; analogy of criminal correction to clinical medicine false, 624-5; arbitrariness and inequality in rewards and punishment counter to basic attitudes, 628-9; demand for liberty based on demand to be judged only by deeds, 629-31, not subordinate to social protection, 630-1; impossibility of disguising punishment under name of treatment, 631-4; corrective treatment not a new idea, 632, 633; correction and prevention as true purpose of punishment, 633; importance of, in determining validity of YCA Act, 636, 648-9; underlying Federal Corrections Act, 653; conflict between classical and sociological schools in Europe as to treatment of offenders, 748-9.

POUND, ROSCOE

quoted, on repugnance to arbitrary power, 628.

POLAND

age limits for youth courts in, 750.

PRISON FARMS

encouraging use of, in N. J., N. C., Ohio, and Tenn., 595; need for more, 726.

PRISON INDUSTRIES

development of, for state use, 594; effect of war on, 595.

PROBATION

extent of laws authorizing, 590-1, 606; percentage of defendants placed on, in U. S., 591; insufficient personnel for, 591, 727; need for care in granting, 591, 606; diversity in use of, among judges, 606, 622; provision for, under YCA Act, 607-8; limitations on, in various states, 607; powers of courts as to, under Federal Corrections Act, 651; need for treatment measures for probationers, 699; retention of power over, by courts, urged, 723, 727-8; further development of statewide, 729.

PROGNOSIS

importance in, of therapeutic measures, 700. See DIAGNOSIS.

PSYCHIATRIC EXAMINATIONS

need for, in determining treatment for offenders, 611, 688-9; provision for, in "defective delinquent" and "sex offender" acts, 643-4, 647, in proposed Federal Corrections Act, 651; data derived from, 691-2; YCA staff needs for, 716-7. See DIAGNOSIS.

PSYCHOPATHIC PERSONALITIES

dangerous characteristics of, 620, 646; uncertainty as to determination of, 646; control of, under YCA Act, 646; segregation of, in federal prison system, 674; difficulties in treatment of, 691, 698.

PUNISHMENT

see PHILOSOPHY OF CORRECTION.

RECIDIVISM

statistics on, among male youths in N. Y. City, 584, among German youths, 584, among Swedish youths, 584, among English first offenders, 585; relation of, to offenses committed, 585, to use of punitive measures, 602-3, 609; measures under YCA Act, intended to prevent, 609-11, 620; data as to, in Glueck studies, 702, in Children's Bureau study, 702-3; difficulty in evaluating European data as to, 755. See CRIME, YOUTH.

REFORMATORIES

tendency to intermingle adults and youths in, 592-3; improvements in, at Annandale, Chillothe, and Elmira, 593, 671; mass treatment and overcrowding in, 593; inadequate classification and segregation in, 593-4; need for diversification in types of, 595; data as to, among reformatory "graduates," 702-3; in various European nations, 754-5.

RUMANIA

age limits for youth crime in, 750.

RUSSIA

trend toward abolition of punishment in, reversed, 749; youth "Commissions" in, abolished, 751.

SEGREGATION

inadequacy of, in jails, 592, in reformatories, 593-4; demoralizing effect on youths of lack of, 594; existing legal provision for, 608; provisions relating to, in YCA Act, 608; of psychopathic offenders in federal prison system, 674.

SENTENCING

disparities in, practices of judges, 590, 606, 622, 669-70; need for pre-sentence investigations, 590, 606, 711; variations in state laws as to discretion in, 590, 607; powers of courts in, under proposed Federal Corrections Act, 652; aided by pre-sentence diagnosis, 669; transfer of, function to YCA criticized, 722-3; European practices as to, of youths, 752-4.

SEX OFFENDERS

Mich., Minn., and Ill. statutes for segregation of, 614, 643; Mich. act for commitment of, held un-

constitutional, 644; Minn. act for commitment of, held constitutional, 645, 647-8.

SHULMAN, HARRY M.

study by, of youth crime in New York City, 584, quoted, 584.

SPAIN

age limits for youth courts in, 750; youth courts in, 752; success of private reformatories in, 754, 755.

STEPHEN, SIR JAMES

quoted, on relation of criminal law to revenge, 601.

SWEDEN

youth crime rates in, 583, recidivism rates, 584; sentencing practices in, 754; progressive reformatories in, 754-5.

SWITZERLAND

youth courts in, 752; "youth advocates" used in, 753.

TREATMENT AND TRAINING

(of youth offenders) use of, in Middle Ages, 581; present trend toward individualized, 589, 668; mass, characteristic of reformatories, 593, 694; need for diversification in institutions for, 595, 694; incompatibility of punishment motive with, 597, denied, 631; superiority of, of women and girls, 598-9; importance of indeterminate control for, 619, 621; use of, as basic thesis of YCA Act, 624, 636; provision for, in proposed Federal Corrections Act, 651; need for continuity in, 668; program of, at Annandale, 670-1, in federal system, 674, in Borstal System, 675-6, at Chino, 676-7, in Calif. forestry camps, 677-9; failure to employ scientific methods of, illustrated, 681-5; need of, to eliminate "softness," 694-5; suggestions for physical, 695, vocational, 696, academic, 696, in appreciations and self-expression, 697; importance of personal influences in, 697-8; discipline in, 698; of abnormal offenders, 698-9; during probation and parole, 699; personnel needs for, 717-8; various measures for, in European nations, 754-6, and their supervision, 756-7.

UNITED STATES BUREAU OF PRISONS

emphasis placed by, on classification, 594; diversification in institutional program of, 595, 674; institutions of, listed, 673-4.

VENTURA SCHOOL FOR GIRLS

(California) reorganization of, by Calif. YCA 660-1.

VIRGINIA DEPARTMENT OF PUBLIC WELFARE

successful diagnostic center of, for youth offenders, 674-5.

VOCATIONAL TRAINING

need for, to diminish economic pressure toward crime, 610; provision for, in laws of various states, 610-11, in YCA Act, 611; effective program of, at Annandale, 593, Chillothe, 593, 674, Chino, 676; failure to adjust, to needs of offender, 684; foreign methods of, 696. See TREATMENT AND TRAINING.

WAR

youth crime rates, during and after World War I, in Germany and Austria, 585-6, since outbreak of World War II, in England, 586, in U. S., 586-7; expected effect of, on youth crime, 587; effect of, on prison industries, 595; effect of service in, on public attitude toward offenders, 597; increase caused by, in number of convicted women, 599.

WAYWARD MINORS

see JUVENILE DELINQUENTS; CRIME, YOUTH; YOUTH COURTS.

WHITTIER STATE SCHOOL

(California) reorganization of, by Calif. YCA, 659-60.

WOMEN'S INSTITUTIONS

general superiority of correctional, 598-9; number of, 598; good programs at Framingham, Mass., Clinton Farms, N. J., and U. S., at Alderson, W. Va., 598; deficiencies in provision for, in many states, 599.

WORK CAMPS

successful program of, under U. S. Bureau of Prisons, 674.

YOUTH CORRECTION AUTHORITY ACT

(of Am. Law Institute) Committee created for drafting, 600; preliminary need to choose between punishment and treatment as method of correction, 600-2; treatment preferred to punishment as more effective, 602-3, 609-10, 636; YCA created by, 604; provisions of, relating to, commitment of youths by courts, 604-5, 635, powers over new and existing correctional institutions, 605, powers over youths committed to it, 605-6, vocational training, 611, physical and mental examinations, 611, assistance after release, 611; avoidance of character-degrading experience under, by use of, probation, 606-8, parole, 608, separation of prisoners, 608; safeguards in, to protect against abuse of indeterminate control, 614-6, 618, 621-2; extending control under, grounds for, 615, 635-6, court review of, 615-6, 617, 635-6; wide variety of treatment methods made possible by, 621; underlying thesis of, criticized, 624-5; examples of discrimina-

tion possible under, 625-7; grounds for constitutional attack on indeterminate control provisions of, 637-41, compared to juvenile court and "defective delinquent" laws, 641-7; recognition by, of value of diagnostic research, 689; suggested staff organization of YCA, 704-9; estimated case load to be handled under, 710-3; size of staff needed for YCA, 713-8, and its cost, 719-20, criticism of, from standpoint of transfer of sentencing function from courts, 722-3, of conflict of authority with institutions, 724-6, of duplication of facilities, 726, of effect on development of probation, 726-8, of alternative program, 728-31.
